EQUINE THERAPY HORSE RESCUE

### *Mission*

Our mission is to cultivate healthy, independent living for people with special needs through skills-based training and equine therapy, with a special focus on using horses that have been rescued from difficult circumstances.

### *Vision*

Our vision is that self-sufficiency is a reasonable and achievable goal for humans regardless of mental, emotional and physical capabilities, with the full acceptance and understanding of their caregivers and society at large.

**Renee Hicks, Executive Director of Camp Able, is an Abilene/Bufalo Gap native.**

*Her passion is to teach, encourage, and nurture young people to reach their goals. She's been teaching babies to swim; coaching children and young adults in various sports; and people of all ages and abilities horse riding and handling skills. Her love for people and animals blends incredibly well to make Camp Able a one-of-a-kind experience in all of West Texas!*
